

CIRCLE CHRISTIAN SCHOOL **Enrollment**

Becoming a Student at CCS At Circle each family is able to individually address student academic needs while engaging in a supportive and inspiring school-wide community. Enrollment at CCS means your student is registered in a private school. The academic office maintains a record of student grades, curriculum, and enrichment choices. High School students will benefit from Circle's full-service Guidance Department including course planning, student and parent workshops, conferences, scholarship recommendations, and standardized testing opportunities. These services are universally provided to all students enrolled at Circle. Enrollment for the 2015-2016 school year is open from January 26 through June 25, 2015. Enrollment application forms will be available on our website, circlechristianschool.org/admissions/application beginning January 26. For those who choose to participate in classes and programs, additional participation fees apply. Class registration opens to currently enrolled families on March 2 and newly enrolled families on March 9.
