

CIRCLE CHRISTIAN HIGH SCHOOL

2017-18 Required Textbooks and Resources

An order form will be provided on the CCS website by June 3 for the items that must be ordered through the Circle bookstore. Orders will be accepted **June 5 - June 30, 2017**. It is not required that you purchase any books through Circle, however, some books and materials must be rented or paid for using the order form. Any orders placed with Circle after June 30 may not be received in time for class and may incur an additional processing fee.

If you obtain the book on your own, verify the specific book title, author, and ISBN where required. The ISBN is listed for the required texts to ensure that you have the correct edition. If “any edition” is indicated then you do not need to match the ISBN but must ensure that you have the correct title and author. Occasionally publishers change editions or availability after we publish this list. Titles and editions are subject to change pending availability. Please notify us if you have any problems obtaining a resource. Also remember to allow ample time for delivery. The table below contains three columns indicating the item needed for the class, an ISBN number if a specific item is required, and an estimated amazon price. LITERATURE TEXTS ARE ALL UNABRIDGED EDITIONS, UNLESS NOTED. tional ISBN may be listed. Also remember to allow ample time for delivery.

If you use Amazon to order, please use smile.amazon.com and designate Circle Christian School as your charity; your school will receive a small benefit from your orders!

Books are not necessarily listed in semester order as teachers may revise order over the summer. As a general rule, you should have ALL books for the year in hand by August 1, 2017.

NOTE: REQUIRED SUMMER READING ITEMS are noted at the beginning of each class list (highlighted with a yellow background). Please obtain these books right away. Required summer assignments are available on the CCS website.
