

Paper Crafting Class OR Printmaking Class Teacher: Mrs. Pamela Knopf

pamelak@circlechristianschool.org

I am thrilled to be teaching this class! Paper crafting has been a passion for me over 30 years and I can't wait to share it with **YOU!**

This list includes all items needed for the entire school year. The list is broken down into three sections: Supplies needed by the first day, supplies needed by the first class in October, and supplies needed by the first class in January.

This list is a NON-Negotiable list. Being involved in the paper crafting business for so long, I have tried numerous products and supplies, and I am recommending the best. I want my students to work with quality products that will not have to be replaced for a long time. I am VERY familiar with these products and want everyone in my class to be on the same "page" when we begin working on projects. **Each student MUST have these very same products – NO substitutions unless otherwise stated.** I have gone to great lengths to provide you with a complete list, photos, and approximate current pricing.

I suggest that you begin purchasing these products over the summer months and have them all by the first day of class. I also recommend that you take advantage of store/company coupons that offer great discounts – PLEASE DO NOT pay full price for these items!!

The approximate cost for the year is \$250.00 if you purchase things on sale or use a 40% coupon at the craft stores.

Please take this list with you to insure that you are making the proper product purchase. I have listed store coupon information at the bottom of this document.

The following items must be purchased prior to the first day of class and brought to class:

Item	Photo	Notes	<u>Approximate Cost</u>	Where To Purchase
Fiskars "Sure Cut" Paper Trimmer (12" with swing out arm)		<p>This trimmer is the BEST to use because it has a wire placed in the middle of the cutting track that ensures you are cutting precisely when you want to cut. I have had mine for several years and it is a great product to work with.</p> <p style="background-color: yellow;">PLEASE Do Not purchase any other size trimmer than this one</p>	<p>\$30.00 Item: 152490-1006</p>	<p>Hobby Lobby, Michael's, Joann's, Amazon, Simon Says Stamp, Wal-Mart, eBay, or Fiskars.com (http://www2.fiskars.com/Crafting/Products/Paper-Trimmers-and-Blades/SureCut-Deluxe-Craft-Paper-Trimmer-12#.VNtdkvnF8dU)</p>

<p>Fiskars Titanium Replacement Blades (Pack contains 2 blades) and I recommend you several packs.</p>				<p>Why? We will be cutting a lot of various types of paper and chip board. These blades (while very sharp) will dull quickly and “chew up” paper – which is a waste.</p>	<p>\$8.99 (ISBN# 2033503881)</p>	<p>Hobby Lobby, Michael’s, Joann’s, Amazon, Simon Says Stamp, Wal-Mart, eBay</p>

<p>Fiskars 99216935J Softouch Micro-Tip Pruning Snip OR EK Success Cutter Bee Scissors (You do not have to have both – pick one)</p>		<p>I have both and love them for different reasons. The Fiskars scissors are wonderful for cutting shapes without tiring your hands. The Cutter Bee scissors are great for quick “snips”. Both products are wonderful and can be sharpened by professionals when dull.</p>	<p>Fiskars: \$10.99 Cutter Bee: \$6.59</p>	<p>Hobby Lobby, Michael’s, Joann’s, Amazon, Simon Says Stamp, Wal-Mart, eBay</p>

<p>Tombow Mono Adhesive Dots Dispenser Permanent</p>		<p>We will be using A LOT of adhesive and I have found this to be the best. <p>Prismacolor Pencil Sharpener- Brand New</p>		<p>There is nothing worse than chewed up colored pencils. This is brand new and an excellent sharpener to ensure a great point on your colored pencils</p>	<p>\$13.95 (yes, I know it is pricey for a pencil sharpener...trust me!)</p>	<p>Hobby Lobby, Amazon or Sam Flax</p>
<p>Art Glitter Glue 2 oz. or larger</p>		<p>This wet glue is amazing and lasts a long time. It dries clear and not sticky and has an incredible hold.</p>	<p>\$4.98 for the 2 oz. bottle</p>	<p>Maymaymadeit.com http://www.maymaymadeit.com/products/2-oz-art-glitter-glue</p>

<p>Art Glitter Glue Fine Metal Tip</p>	<p>No photo available at this time</p>	<p>This fits onto the bottle of the Art Glitter Glue and funnels a very fine line of glue on to your project. Great for getting into very small spaces without wasting glue or having a big blob on your paper.</p>	<p>\$3.50</p>	<p>Maymaymadeit.com http://www.maymaymadeit.com/products/fine-metal-tip?variant=11283994307</p>
