2017-18 High School

Required Summer Reading with Assignments

World History, Honors

Mr. Backus

Required Summer Reading: Read: *More Than Dates & Dead People* by Stephen Mansfield

Assignment

Directions: **Complete** this worksheet as you read the above book. Read the questions/requirements carefully for this assignment before beginning to read. **Submit/Upload** this assignment on the eLC , prior to the first day of class. The eLearning Campus will be open for submissions during Orientation Week prior to classes beginning.

NOTE: Please ALSO **PRINT and BRING** a copy of this assignment for in class discussion.

1. In the chapter, **History According to the Owner's Manual**, the author lists ELEVEN verses that demonstrate God sovereignty over the affairs of men. Look up each of the verses to discover what the scripture passage says and **BRIEFLY discuss ONE verse that speaks to you personally**. Be prepared to discuss this in class.

2. In the chapter, **Armed and Dangerous**, the author lists seven benefits for studying history. List each benefit here and **select ONE that you believe is most significant to you and explain why**. Be prepared to discuss this in class.

3. Briefly describe **ONE truth** that you discovered (something you did not know before) by reading this book. Be prepared to discuss this in class.
